

ALL 2019 ENTRANTS:

The quilts entered in the 2019 IQA Judged Show have been juried. The quilts that have been selected for exhibition are listed below. Entrants are listed by last name/surname with the accepted quilt's title listed below the entrant's name. **Please check the list below for your quilt and come back to this page for more information.**

IF YOUR QUILT IS NOT ON THE LIST:

From the field of quilts entered, it is obvious our members send only their best efforts to this competition. While we would love to display every quilt entered, the reality is that our show was limited to 70% of the quilts entered this year, and those were selected by a jury. Narrowing the entries was a very difficult task. If your quilt is not listed below, we regret that it was not selected for this year's show.

There are many reasons why an entry might not be chosen for a particular show. Due to limited exhibit space, many nice pieces may be eliminated simply because of numbers, and the field of competition in the show certainly plays a part. In any show where entries must be juried from visuals, the quality of the image is extremely important. The display of the quilt, dark images, small images, blurred images, or those that are of low resolution can put a magnificent quilt at an unfortunate disadvantage, and there were a number of quilts in that situation this year. If you cannot have your quilt professionally photographed, or are unsure of your own abilities, please review our Tips for Good Photography.

We applaud and appreciate the creative efforts of all our members, and we hope you will be able to attend this year's show. Most importantly, we encourage you to continue to participate in future IQA shows.

IF YOUR QUILT IS LISTED BELOW:

Congratulations on your quilt's selection for this year's Judged Show! Your quilt is due in the IQA office any time between now and August 14, 2019. The number listed after your quilt title is the quilt number referred to in the shipping paperwork. You will need this number when you ship your quilt. If there are any questions, please contact Crystal Battarbee in the IQA office at iqa@quilts.com. More information is included in the following Letter and Shipping Information Packets.
